THAT SHIP SUBSIDY BILL

And Some of the Facts Regarding It.

Special Correspondence of The Eagle.) may be more dignified; Washington, Dec. 8.—One of the most mportant measures which the present Kansas sent a lot of p session of congress will deal with is the shipping subsidy bill. This hill proposes

Every country in the world that is of nferior to ours, has better shipping fatrangely enough, there appears to be clerks.

Closent opposition in some quarters to One Kansan who holds a responsible

of the country; where products are raised canism and patriotism than elsewhere in croment publications. They are lists the country, it would seem incretible for and numbered and catalogued and discountry. there to be opposition to this great meashat exists. Yet even in Kansas there is of Populism have been common, and the for reference and for its value, and secole to a greater or less extent have has cropped out in the particular maindy ommon among Kansas people when the word "subsidy" is breathed. For ten years the Populists of Kansas have talked of "subsidies"; of "subsidized" press; of "subsidized" government; of subsidized" legislatures and congresses of "subsidized" pulpit and "subsidized" everything; until, without stopping to hink, many sensible people have violer attacks when the word is mentioned. This, then, to the real source and reason for the opposition that exists in Kansus o the shipping subsidy bill.

Last year, of all the enormous exports and imports of the United States, only 3 per cent was carried on American bet-toms. Last year the United States paid to foreign nations-principally Great Britain and Germany-\$20,000 a day for olng energing trade work for this coun-

love flies out of the window."

"I wish to thank you for the good your medicines have done me," writes Mrs. Mae Brown, of Cauton, Fulton Co. III. "I was troubled with female weakness, and doctored with several different doctors. They did not seem to help me; indeed, I got worse all the time. I had observation and displacement of the aircras. What I suffered no toogras can tell. I had heavy bearing down pains, and thought my back would bill me. I also a long a can be come to the control of the contr ness and ill-health is her ignorance of the important truth that a woman's general health depends upon the local womanly health. If women knew and understood this fact they would not attempt the impossible feat of developing the general health while ignoring unhealthy local conditions. Money is wasted in "doctoring" for headache, backache, nervousness, sleeplessness and other ills familiar to impossible feat of developing the general health women, if the treatment of these diseases does not

Dr. Pierce's Favorite Prescription is the best of cure the primary disturbing cause-disease of the all medicines for the cure of woman's ills. It is a delicate womanly organs. It is of course possible perfect regulator. It dries the unbealthy and offenthat there may be general ill-health in spite of sound local health. But it is absolutely impossible sive drains which weaken women. It heals inflammation and ulceration and cures female weakness. that the general health can be good when there are disagreeable and unhealthy drains, inflammation, ulceration or female weakness. The first step to It is the best preparative for maternity, giving abundant strength and making the baby's advent practically painless. sound health is to cure these diseases, and the quickest and surest cure of womanly diseases is

"SOONER SUFFER THAN SUBMIT."

accomplished by the use of Dr. Pierce's Favorite That is the sentiment of many a woman who knows the source of her suffering and yet shrinks "Words can't express how grateful I am for your kind advice and good medicines," writes Mrs. Ada Brooks, of Kirbyville, Taney Co., Missouri. "I suffered for four years with what four physicians pronounced ulceration and profrom submitting to the offensive questionings, the indelicate examinations and the obnoxious local treatments considered necessary by some local phylapsus of the uterus; also inflammation of bladder and urethra. My case was chronic and complicated. When my sicians. It is due to this cause that many of the urethra. My case was chronic and complicated. When my first child was born (five years ago) I was in a very bad condition. My health had been very poor for some time when I was taken down bed-fast. I was in a critical condition for five months. Had several good physicians, but kept getting worse. Could not hear to be moved from my bed. Had been confined to my bed five months when I wrote to you. I received your reply very soon, and then dismissed my physicians, and began taking Dr. Pierce's medicines. I took eight bottles of his 'Favorite Prescription' and 'Golden Medical Discovery,' and I began to get better at once. In two months I could sit up in a chair, and kept getting better. In four months could do all my housework, including washing and sewing. I think your medicines saved me women who gladly take advantage of Dr. Pierce's offer of free consultation, by letter, are suffering from diseases far advanced in chronic form. But, however far advanced the disease may be, in ninetyeight cases out of every hundred the result is a perfect and permanent cure. Even the two women in each hundred for whom no perfect cure is possible are made glad by a larger measure of health and happiness than they have enjoyed for years.

Every sick and ailing woman is invited to take advantage of Dr. Pierce's offer of a free consultation, by letter, Address Dr. R. V. Pierce, Buffalo, N. V. In this way a woman may avoid the things which Next to the danger of a woman's ignorance of offend her modesty, and, at the same time, enjoy the her own needs is the danger of ignorance in the benefit of a consultation with one of the foremost treatment of her diseases. That such ignorance specialists in the treatment and cure of the diseases

abounds is shown by the testimonials published by peculiar to women. Absolute privacy guards every woman's letter, who wish other sufferers to know the way to health, each letter being read and answered under the The result of this ignorance is that women suffer guard of the same professional privacy observed for years, going from one practitioner to another, by Dr. Pierce and physicians generally in a personal
